

Drop-off & Pick-up Directions

Woodman Road

Drop-off and pick-up vehicles should be traveling in the direction of the red arrows above on Bransford Drive or Vernon Road to safely drop-off or pick-up students. Vehicles stopped in front of the school may be ticketed.

Your child's safety is important to us. Because of the large numbers of car riders at Moody Middle and the limited parking area in front of the school along Woodman Road, we are asking that you follow these procedures when you are discharging or picking up your child. Your cooperation ensures everyone's safety.

Pick-up and Drop-off vehicles must NEVER enter the Bus Loop area marked above. Students may be discharged and picked up on Bransford Drive near the sidewalk marked in green above, adjacent to the bus ramp. Vehicles should be stopped in the marked gravel Student Drop Off Area. Vehicles may NOT stop in the roadway.

When students are discharged on the Vernon Road side of the school, vehicles should be stopped in the marked gravel Student Drop Off Area. Vehicles may NOT stop in the roadway. The Vernon Road Student Drop Off Area is for morning drop-off only and must not be used in the afternoon.

The parking spaces in front of the school along Woodman Road are not to be used for student drop-off or pick-up. These spaces should only be used when parents are attending meetings or other activities. Vehicles may NOT stop in the driveway (immediately in back of parking spaces), or in any travel or turning lanes.

For special events, River of Life Church (next door) and Christ Lutheran Church (across Woodman Rd from school) usually allow us to use their lots for overflow parking. Please be courteous to our neighborhood families. Do not block their driveways when parking on Bransford or Vernon or your vehicle may be towed.

George H. Moody Middle School Information for Discharging and Picking Up Students

Your child's safety is important to us. Because of the large numbers of car riders at Moody Middle and the limited parking area in front of the school along Woodman Road, we are asking that you follow these procedures when you are discharging and/or picking up your child:

VERNON ROAD AREA

When students are discharged on the Vernon Road side of the school, vehicles should be stopped adjacent to the school, in the marked gravel area (**Student Drop Off Area**). Vehicles may **NOT** block the roadway. Students are placed in a dangerous position when they must cross the street. All drivers need to be aware of the *No Parking Zone* on Vernon Road. Vehicles should use Swartout Avenue to safely travel around the block to the drop off area in the morning. The Student Drop Off Area in the afternoon is for bus loading only – not for private vehicles.

WOODMAN ROAD

The parking spaces at the front of the school along Woodman Road are not to be used for student drop off or pick up. These spaces should be use if you are attending a meeting or other activity. All vehicles should be parked/stopped in **designated parking spaces only**. Vehicles may **NOT** stop in the driveway (immediately in back of parking spaces), or in any travel lanes. Vehicles should **NOT** block any portion of the travel lanes. All drivers need to be aware of *No Parking Zones* in this area.

BUS RAMP AREA

Vehicles are not permitted on any portion of the bus ramp or faculty parking area that is located on the bus ramp. This area is for **buses, faculty, and authorized vehicles only**. This area is designated as a bus loading area between 7:45-8:30 am and 3:00-3:30 pm. The speed limit is 10 mph in this area.

BRANSFORD DRIVE AREA

Students may be discharged on Bransford Drive near the sidewalk, adjacent to the bus ramp. Students are placed in a dangerous position when they must cross the street. All drivers need to be aware of *No Parking Zones* on Bransford Drive.

Drivers are encouraged to travel with the flow of traffic nearest to them and not cross lanes of travel. Drivers are also reminded not to make U-turns in the middle of roadways, as this is dangerous and illegal.

EVENT PARKING

Traditionally, River of Life Church (next door) and Christ Lutheran Church (across Woodman Rd from school) have graciously allowed us to use their lots for overflow parking. Please park in designated areas only, as certain church events may not allow the use of their lots. Please be courteous to our neighborhood families. Be aware of not blocking their driveways at any time.

If you have any questions, contact the school at 261-5015.
